What we do

Our business partners

Jomo worked with different brands and companies helping them to come up with different innovative marketing ideas, fantasy events, workshops and conference arrangement, creative designing, PR's and brand activations

Why work with JOMO International?

Experience

We have fact experience in different industries on event management and media coverage with media and event personnel who have been in the industry for more than 10 years and know how to package the events and media production in a manner that will be accepted by the organization.

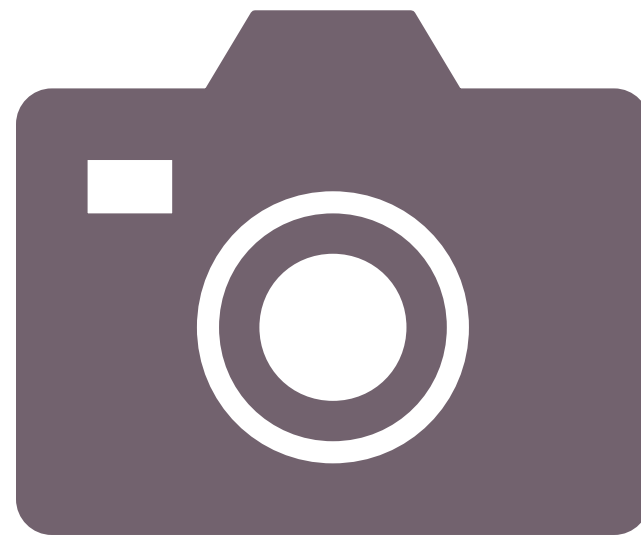

One stop shop

We can handle a number of issues for the including media, events, government relations and CSR therefore your company will not have problems with looking for another agency.

Our team

We have a team of young professionals from different background, hence it is easy for JOMO to handle a wide range of business challenges and opportunities
